Principal's Message

Sh. Arun Chander

Principal, KDC Govt College

Jaisinghpur (Kangra) HP

Erstwhile Vyas Valley Private College was taken over by Government in the year 6th of February, 2007 and renamed as Kunwar Durga Chand Memorial Government Degree College Jaisinghpur.

Kanwar Durga Chand was one of the towering personality of Himachal Pradesh in the field of social service and politics. He served as a member of Himachal Pradesh State Assembly from 1967-77 and as a Member of Parliament in sixth Lok-Sabha from 1977-79 from Kangra Parliamentary Constituency.

At present college has its own well-furnished Building with sufficient Lecture Theatres, Smart Class Rooms, Laboratories, Computer lab, Library, Gym and Sports Complex, Girls Common Room and well connected Wi-Fi network.

"We aim to create in our students a cutting edge which will bring success in the emerging competitive world. Integrated development of the students will not only help them in generating knowledge, acquiring skills, developing attitude but will also help them in becoming best of the human beings with meaningful living." A plethora of co-curricular and sports activities are organized to stimulate the creativity and to maintain physical fitness of the students. The units of NSS, Red Ribbon and Rovers and Rangers instil a sense of social responsibility among the students.

BCA Co-ordinator Message

Prof. Ravinder Kumar
(Co-ordinator BCA)

It is indeed my pleasure to share with you all that we have started BCA and PGDCA courses in KDC GDC Jaisinghpur, Distt. Kangra. These courses will run under Jaisinghpur Educational Society for Professional Advancement. The primary objective of running these courses is to establish the professional atmosphere in this area with the aim to develop a skilled/professional workforce in the area. It will also help to provide technical education to the students of rural background.

I pay my best wishes to the staff engaged in the course and also welcome the students who will get enrolled in these courses. I assure the management committee to put in all efforts and energy to get best results for the college in the near future.

Prof. Ravinder Kumar
Assistant Professor Commerce
KDC GDC Jaisinghpur

PGDCA Co-ordinator Message

Dr. Arpit Kaistha
(Co-ordinator PGDCA)

Today is the era of skill based education. Without skill based education we stand nowhere in society. The knowledge of computers is essential in almost all industries and companies. In order to cater to the growing demand of computer awareness among the youth, this College has introduced a Post Graduate Diploma in Computer Applications (PGDCA) from this academic session. The College is highly committed in imparting quality education to the students residing in the rural area of the Jaisinghpur tehsil in particular and HP State in general.

This college is providing the best computer laboratory, library, Gymnasium and Wi-Fi facilities to the students. All computers are connected with networking and Internet Connection. The college premise is becoming Hi-Tech day by day. Learned faculty members are always there in the college premises to help the students. The Scholarship will also be provided to all eligible students as per Govt. norms. The carrier counselling and placement cell of this college will help in industry linkage.

Finally, I congratulate you for being a part of this course and I would like to advise the students to work smart and have a potential professional skill, so that their dreams and the dreams of their parents may come true in letter and spirit.

Dr. Arpit Kaistha
Assistant Professor of Physics
KDC GDC Jaisinghpur, Distt Kangra

About College

Jaisinghpur is a small town in the Kangra district of Himachal Pradesh. It was named after Maharaja Jai Singh, the Katoch king of the princely state Kangra-Lambagraon situated on the right bank of the river Beas. It holds historical significance as the birthplace of Maharaja Sansar Chand. He was the famous Katoch king of "Trigarta" (presently Kangra), born in 1765 AD at Bijapur, a Jagir of the Trigarta princely state, which is only 3 km away from present-day Jaisinghpur town. Currently, Jaisinghpur is a Sub-Division of Kangra district of Himachal Pradesh, where KDC Govt College is situated.

Initially, KDC Government College was privately managed Vyas Valley Private College, which was taken over by the Government on the 6th of February, 2007, and renamed after the social reformer Kunwar Durga Chand. He was one of the towering personalities of Himachal Pradesh in the field of social service and politics. The college is named after such a generous and kind-hearted personality known for his work in providing free education and empowering women. After returning from Lahore, he opened a school for girls to impart good education. Likewise, the institution's objective is to continue his legacy by encouraging more students for higher education.

At present, the institution provides undergraduate three-year degree courses in B.A/B.Sc./B.Com, nurturing and honing approximately 500 young minds every year, giving them ample opportunity to grow, develop, and excel. Currently, the main three streams such as Arts, Science and Commerce are running successfully in the college and the courses offered under these streams at undergraduate levels are English, Hindi, History, Political Science, Psychology, Philosophy, Physical Education, Economics, Geography, Mathematics, Physics, Chemistry, Zoology, Botany and all the courses under Commerce stream respectively.

Along with this, from the last year i.e. 2024-25 the college has started self-finance courses, Bachelor of Computer Application (BCA) and Post Graduate Diploma in Computer Application (PGDCA). To meet educational demand of the population, especially the rural population, support professional and career development of individuals by introducing professional courses like BCA and PGDCA.

The primary focus of the institution is on the holistic development of the students, nurturing self-esteem, confidence and reflective thinking. The special emphasis is laid on value-based education with a progressive and positive outlook to help students succeed in a highly competitive world. Since its inception in the year 2007, the college has grown gradually but magnificently in every aspect. Apart from imparting education the institution also focuses on the physical health of students and provides physical facilities like well-equipped Gymnasium for young boys and girls. The steps have been taken to maintain the decorum and discipline in the campus by forming an Anti-Ragging Committee, Women Complaint and Empowerment Cell etc. And CCTV Cameras for the safety and security of the students have also been located in the entire campus.

Jaisinghpur Educational Society for Professional Advancement (JESPA)

Jaisinghpur Educational Society for Professional Advancement (JESPA) has been framed in KDC, Government Degree College, Jaisinghpur in 2024. Its main objective is to establish, manage, operate, maintain and control the imparting of education in vocational, professional, Add-on courses and its related areas in the college with an aim to develop skilled and professional workspace in this area. So that pupil's of rural areas can also empower themselves with the skills of the modern world. This society will increase the employability of the youth by introducing innovative and industry based skill development courses.

Professional Education

Himachal Pradesh, one of the most literate States in the country, lacks adequate employment opportunities for its youth. Even today its economy is Government-job oriented. A large number of educated youth are not in a position to get meaningful employment without professional degrees. The Institute resolved to be a part of the solution to this problem by starting professional courses to help the new generation in finding their rightful place in society.

Affiliation/Recognition

The BCA and PGDCA courses in KDC Govt. Degree College Jaisinghpur had been started from the last session i.e. 2024-2025. The approval for running these courses has already been received from the Government of Himachal Pradesh. As these courses are to be run in self-financing mode, so a society called ***Jaisinghpur Educational Society for Professional Advancement (JESPA)***, KDC GDC Jaisinghpur has been formed and got registered with the concerned authorities. The above courses will be run by this society and the society has already applied to HP University Shimla for the affiliation of these courses. The admission to these courses is subject to the grant of affiliation for these courses which we are expecting in the coming few days. The status of affiliation will be updated in this prospectus as well as on the website of the college at the earliest. KDC GDC Jaisinghpur is already affiliated to H. P. University, Shimla for BA/ B.Sc. / BCom courses for which a separate prospectus is available on the college website. The college is also included in the approved list of the University Grants Commission, Govt. of India.

College Buildings

The college is housed in its own palatial building. In addition to the separate Administrative, Academic & Science Blocks and modern well-equipped computer laboratories, there is an independent Library consisting of Stack Rooms, Magazine Section and study rooms for students and faculty members. The college has a spacious and magnificent hall of its own. A three storey Science Block has been constructed, it consists of Physics, Chemistry and Bio-Science laboratories, and spacious and well

furnished class rooms. KDC GDC Jaisinghpur premises have spacious well equipped class rooms, laboratories, all other amenities and well equipped facilities for different indoor sports activities like multi-gymnasium hall, yoga/T.T. hall.

The college has allocated a separate block for BCA and PGDCA courses consisting of smart classrooms having e-teaching facility and well equipped computer labs having sufficient number of personal computers (PCs) and laptops.

Library

The College has a well stacked centralized library with over 5000 books comprising 929 titles of sciences, arts, commerce, education, computers streams, magazines & newspapers. A well furnished wi-fi reading room with a seating capacity of 100 students is also available in the library. The library is a member of N-LIST program of UGC through INFLIBNET Centre, Gandhinagar Ahmedabad. Library has 03 computers with internet wi-fi in the reading room for students and staff members.

The library has just purchased new books as per the syllabi prescribed for BCA and PGDCA courses also.

Playground

The college owns a very picturesque and spacious playground with facilities for various games such as Basketball, Volleyball, Badminton, Kho-Kho, Kabaddi and Athletic activities. Gymnasium and Indoor games such as Table Tennis, Weightlifting are also available.

Internet

Students have the privilege to avail internet facility during college hours with broad-band connection in the Computer Lab and students can also avail the wi-fi facility in the whole campus.

College students central association(CSCA)

CSCA is constituted according to the rules laid down by the HP University. The association aims at developing among students greater awareness of their role as young citizens, giving them a sense of responsibility and a spirit of service. The role of this association will be to advance the aims & objectives of the college and add to its tone and discipline and help in organizing various

functions in the college and suggest measures to make the stay of the students in the college fruitful and purposeful. CSCA also serves as a link between the students and the administration and coordinates and integrates the activities of various clubs & associations in the college. eco

Parent Teacher Association

The Parent Teacher Association (PTA) is a statutorily constituted body which aims at the overall development of the college. Parental cooperation in creating a healthy campus atmosphere is of utmost importance. The PTA aspires for co-operation and participation of parents in full measure, in the wholesome activities of the college.

National Service Scheme (N.S.S.)

The Himachal Pradesh University has allowed two NSS Units to the College with a strength of 100 students. By joining NSS, the volunteers are given an additional weightage of 2% or 5% preference in matters of admission by various institutions and universities in India.

Information, Career Guidance and Placement cell

The cell is working as a resource centre of information and guidance for the students to establish linkages with the world of work and locate career opportunities. Seminars and guidance workshops are organized to inform the students about the emerging trends and events, leadership roles, entrepreneurship; and implementation of national socio-economic policies. The cell also works to promote healthy outlook and positive attitude towards national integration.

Bachelor of Computer Applications (B.C.A.)

Introduction

In today's world Information Technology has become essential and this has greatly enhanced the value of Computer Applications. We cannot visualize any work situation or job opportunity which does not require proficiency in Computer Applications. To keep up with these rapidly changing requirements for new skills the governing body of JESPA decided to start the BCA course from the Academic Year 2024-2025. The Institute maintains high standards of education and will continue to augment the infrastructure for running this course annually.

Laptop Ownership Scheme:

BCA and PGDCA are professional courses which are very highly valued because they impart skills to the students which are in high demand in the job market. These courses teach students the practical skills related to using the latest computer technology in different spheres of life, especially in business and industries. So, naturally a person who is more skilled in computing will be valued more. For this, the student must practise a lot on a regular basis and spend as much time as possible on the machine. Keeping this in mind, the college has devised a unique plan, which will make available a laptop to every willing student forever, so that they can use it freely both in college and at home. This will give ample time to a student to practise his coding and other computing skills. Normally a student gets a very small amount of machine time if they are dependent on the computer lab available in the college itself, but this scheme will increase manifold the machine time of a student. As we are catering to a basically not very affluent, rural community, we have devised an easy on pocket instalment plan for owning a laptop to increase the machine time of a student multiple times. The College is coming out with this scheme which is first and only one of its kind in government colleges in Himachal Pradesh. As per the scheme, the student admitted in the first year of BCA/PGDCA will be given a laptop and he/she will be its owner for the whole life. So, they can study on it equally both in the college and at home. As a part of the scheme they will pay a small down payment at the time of the admission and afterwards they would pay the rest of the cost in easy half yearly installments. This scheme will also reduce the financial burden of the parents along with making the training of the students very effective and efficient.

In the current academic session, 10 additional laptops have been procured to enhance student learning and support their academic needs.

Disclaimer: Admissions in BCA and PGDCA are subject to final affiliation of the courses with the HP University Shimla, for which we have already applied and expecting approval in the coming few days. The final number of seats in different categories will also be known at that time. For any update, please keep looking on the college website. The college reserves the right to make any changes and corrections in the content of this document if and when required without any notice.
